Got Septic? Clean Water Campaign Offers Maintenance and Care 101 in North Fulton

To help homeowners better maintain their septic systems, the Clean Water Campaign has partnered with the DeKalb County Environmental Health Services and DeKalb Stormwater to host a workshop on septic system maintenance. The workshop will be held on **March 7** at 7:00 p.m. at the DeKalb County Cooperative Extension Service Office located at 4380 Memorial Drive, Decatur, GA 30032. There is no charge for the workshops, but registration is required. Register online at www.cleanwatercampaign.com or by calling 404.463.3259. The speaker will be Alan Gaines of DeKalb County Environmental Health Services.

The Clean Water Campaign works to educate the public about activities that help prevent water pollution. It is a cooperative, multi-agency public education initiative spearheaded by 20 local governments in metro Atlanta and managed by the Atlanta Regional Commission. For more information about the Clean Water Campaign, contact Kelley O'Brien at 404-463-3259.
