Septic Tank Maintenance and Care Workshop: Calendar Entry

The Clean Water Campaign and Cobb County Environmental Health Services Offices have partnered together to offer septic tank maintenance and care workshops for homeowners. Topics of discussion will include different functions of septic tanks, how they should function, the common causes of failure, maintenance for longevity, identifying the potential contaminants in the effluent (wastewater) and site limitations. The workshop will be on **November 10 at 6:30 p.m.** at the Cobb County Water Quality Training Laboratory, 662 South Cobb Drive, Marietta, GA 30060-3105. *Registration is required.* Register at 404-463-3259 or online at www.cleanwatercampaign.com. **Speaker:** Tom Campbell

*The **Clean Water Campaign** is a cooperative, multi-agency public education initiative spearheaded by local governments in metro Atlanta, supported by the Metropolitan North Georgia Water Planning District and managed by the Atlanta Regional Commission. Its mission is to build awareness of water quality problems and solutions in the Atlanta region. For more information about the Clean Water Campaign, contact Kelley O'Brien at 404-463-3259.*
