Xeriscape Workshop- Gwinnett County

Having an attractive well-manicured yard that doesn't use a lot of water does not mean you have to have a desert setting yard with cacti and rock gardens. In fact, you can have a well-rounded yard with healthy plants and grasses that tolerate Atlanta's summer heat and dry conditions. Robert L. Brannen from the University of Georgia's Cooperative Extension Service Office in Gwinnett County will be the presenter. The workshop will be held on **August 18, 2005** at 7:00 PM at the Gwinnett Justice and Administration Center's Auditorium located at 75 Langley Drive, Lawrenceville, GA 30045. For more information, go online to www.cleanwatercampaign.com or contact Kelley O'Brien of the Clean Water Campaign at 404-463-3259.

*The **Clean Water Campaign** is a cooperative, multi-agency public education initiative spearheaded by local governments in metro Atlanta, supported by the Metropolitan North Georgia Water Planning District and managed by the Atlanta Regional Commission. Its mission is to build awareness of water quality problems and solutions in the Atlanta region. For more information about the Clean Water Campaign, contact Kelley O'Brien at 404-463-3259.*
